## Staff Responsibilities at Customer Sites

03.03.2026

Nitrogenx Ltd is committed to providing a safe workplace to ensure, so far as is reasonably practicable, the health, safety and welfare of our employees while they are at work and to provide the necessary information, training and supervision to achieve this. Nitrogenx Ltd will take responsibility for the Health and Safety of it's staff as set out in the company policy statement.

### **Nitrogenx Employees working offsite will:**

- Not undertake work that is unsafe
- Not disrupt the normal day-to-day operations of the practice
- Complete a risk overview of each site at the time of entry:

**Risk Overview:** Staff are to carry out a visual risk overview of each site at the time of entry

**Stage one:** infection exposure

**Stage two:** sharps and clinical waste hazards

**Stage three:** slips, trips and falls

**Stage four:** manual handling risks

**Stage five:** minimize disruption to patient care

- Follow all instructions given when onsite
- Use protective equipment or clothing provided
- Be respectful
- Cooperate with the monitoring & minimisation of workplace hazards
- Report a hazard, near miss, or accident immediately

This document provides a commitment and intent to comply with the Health and Safety at Work Act 2015.

Refer to the Compliance section on our website for further Health & Safety and product safety information ([www.nitrogenx.co.nz/compliance/](http://www.nitrogenx.co.nz/compliance/))

Kind Regards,

*Catherine Williams*
